

SUMMER TRAINING

Seven Weeks at Tasheel Information Technology

Aldana Ashraf Felemban — Computer Science

5 July – 20 August 2026

Training Roadmap

Seven weeks, from onboarding to full system integration

Two systems built end-to-end: EmployeeForm (EFS) and the Airport Visit Management System (AVS) — designed, developed, tested, and integrated into a single connected platform.

WEEK 1

Onboarding & Git Fundamentals

5 – 9 July 2026

- Introduced to Tasheel IT, its tools, and services
- Set up Git and GitHub environment
- Practiced commits, branching, and merging
- Reviewed the company's Project Tracking System

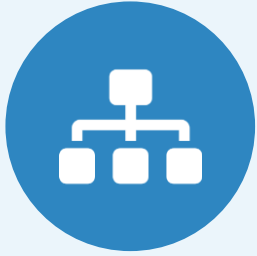

WEEK 2

System Analysis — Project Tracking System

12 – 16 July 2026

- Analyzed PTS modules, users, and stakeholders
- Interviewed a Project Manager on real usage
- Wrote functional & non-functional requirements
- Built use case and activity diagrams

WEEK 3

EmployeeForm — Architecture & Delete Feature

19 – 23 July 2026

- Reviewed EmployeeForm's MVC architecture
- Designed the DeleteEmployee feature
- Built admin safeguards and validation
- Resolved a nested Git merge conflict

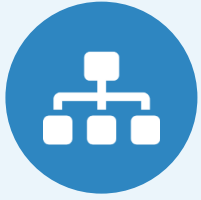

WEEK 4

Collaborative Software Development

26 – 30 July 2026

- Studied feature branches, PRs, and code review
- Opened a pull request on GitHub
- Worked through review conflicts
- Merged DeleteEmployee into main

The screenshot shows a web application interface for the Airport Visit Management System. The browser address bar displays `https://efs.tasheelinfotech.local/...`. The page header is a dark brown bar with the text "Welcome, Omar Felemban" on the left and a "Logout" button on the right. A left sidebar contains navigation links: "Home", "Visitors", "Visits", "Approvals" (highlighted in orange), and "Switch Portal". The main content area has a title "A23 Operations Meeting" and a subtitle "Follow up meetings with director regarding current A23 operations." Below this, a table displays meeting details: Type (Meeting), Department (Operations), Requested by, Date (8/20/2026), and Time (10:00:00 – 15:00:00). A button labeled "Approve all visitors" is highlighted with a red border. Below the table, there are two buttons: "Submit" (dark brown) and "Reject entire visit" (light brown). The table lists two visitors, both with checked approval boxes.
